Coffee County Schools Superintendent announces retirement for end of August

by Linda Hodge, Editor

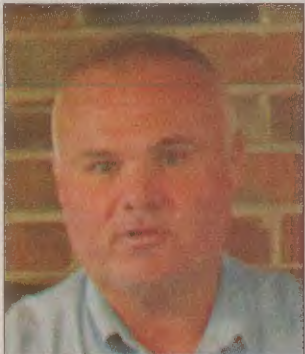

Coffee County Schools superintendent Kevin Killingsworth announced his upcoming retirement last Thursday evening, April 8, during the regular meeting of the board of education.

Killingsworth said he would retire Aug. 31, 2021.

"After 30 years in education, I felt like I was still young enough to retire and start a new career in another field," Killingsworth said. "I can probably work another 10-15 years doing something new."

Over his 30-year education career, Killingsworth said he believes he has made many good friends through his co-workers. His entire career has been centered around all three school systems in Coffee County - Coffee County Schools, Elba City Schools and Enterprise City Schools.

"Hopefully, I've made a difference along the way,"

Kevin Killingsworth

he said.

Although he had set the date for retirement, Killingsworth said he has no plans on slowing down over the next several months. He said there are still several projects he needs to work on and see through before he hangs up his superintendent's hat.

Specifically, he noted the 12-room classroom addition at New Brockton Elementary School nearing completion, as well as the

Coffee County BOE names alumna as next principal at Kinston School

The Coffee County Board of Education approved the hire of a Kinston alum to be the next principal of Kinston Schools, effective the 2021-2022 school year.

The matter was approved during the board of education meeting held Thursday evening, April 8, at the BOE office in Elba.

Megan Driggers, current assistant principal at Kinston, will be the new principal for the school next school year. She will succeed retiring principal Danny Branch.

Three additional certificated personnel hires recommended by Superintendent Kevin Killingsworth and approved by the board included:

- Employment of Ericka Whigham to be the media specialist at Kinston School, effective the 2021-2022 school year

- Employment of Jessie Grant to be the media specialist at New Brockton Elementary School, effective the 2021-2022 school year, and

- Employment of Emily Herbert to be a secondary instructional coach for Kinston School and Zion

Chapel High School, effective the 2021-2022 school year.

The board also approved the employment of Debra Johnson to be a temporary substitute custodian at New Brockton Elementary School. Her employment began Monday, April 12th.

Elba Police Chief discusses recent vehicle pursuit

Police Chief Leslie Hussey assured Elba City Council members Monday evening, April 12, that officer from his department continue to monitor traffic closely at the U.S. Highway 84/Alabama Highway 87 intersection; however, he said even a police presence on one occasion did not prevent a near accident.

On the evening of March 30th, Hussey said one of his patrol officers was sitting off the roadway at the intersection monitoring traffic when a vehicle approached the intersection and did not slow down. He said the vehicle almost collided with the officer's vehicle.

"At this point, we are under the assumption, as most anyone would have been, that the person is probably driving under the influence of some sort," Hussey said.

He said officials begin pursuit of the suspect vehicle, which attempts to elude. Sometime later, Hussey said stop sticks were applied by law enforcement engaged in the pursuit near Opp.

"We get the tires flat and the vehicle stopped on a dirt road," the chief said. The suspect turned out to be a female that had chosen to run from the police because she had let her driver's license expire.

"It's not that she had tickets or for any other reason other than she had not renewed her license in three years," Hussey said. "There is no telling how many people she put in danger because of her actions that night."

Hussey added that there have been a couple of wrecks at the intersection, and his department continues to get reports of people running the stop signs.

"We are going to continue to work this area heavily, at least over the coming months," he said. "Please slow down and encourage others to do the same in this area."

Hussey said he hopes once all the road construction work is complete and barrels and road work signs are removed that it will help motorists pay more attention to the stop all-way stops signs at the intersection.

Elba citizens reminded of two upcoming community events

The Southeast Alabama Community Band will be in concert this Sunday, April 18, in downtown Elba. The concert will be held on the square in downtown Elba, beginning at 3 p.m. Sunday afternoon.

Elba Mayor Tom Maddox is a member of the Southeast Alabama Community Band.

On Saturday, Aug. 24, Elba will host the "Don't Drop It on Elba" clean-up event. This is being hosted by the City of Elba and the Elba Chamber. Participants should arrive at Tiger Town Park prior to 8 a.m. for assignments.

The clean-up will conclude at 11 a.m., and all participants will be fed a hot dog lunch at the park.

ELBA HIGH FOOTBALL PLAYERS HELP IN COMMUNITY...Elba High football coach Marc Sieving says it is important that his football players take part in giving back to the community that support them. With that in mind, Sieving, 22 of his players, and two other coaches put out eight pallets of sod Wednesday, April 7, at the recently completed Habitat for Humanity house in Elba. The players worked hard for two hours to help get this project nearly completed.

Elba Elementary students create "Happy Birthday" cards for city

by Linda Hodge, Editor

During her report to Elba City Council members Monday night, April 13, Elba City Clerk Sally Bane noted the assistant city clerk and the water supervisor had each resigned from their jobs last week.

The Elba Water and Electric Board currently is advertising for applications for the water supervisor job, and Bane said current city employee Amy Sewell had agreed to step in as the interim for the assistant city

clerk's job until a plan could be made for a replacement

to that position.

Bane reminded council members that Tuesday, April 13, would be Elba's 168th birthday. She said in celebration, Mayor Tom Maddox had requested that Elba's elementary school students make birthday cards for the city.

"It was really difficult to pick just one winner," Bane said. "So, we decided to break them up by grade levels into three categories."

The city clerk announced the Grades K - 2nd winner was Parrish Grantham in Mrs. Johnson's first grade

class; the Grades 3rd - 4th winner was McKenna Jackson in Mrs. Jones' fourth grade class; and the Grades 5th - 6th winner was Mary Brooklyn O'Neal in Mrs. Vargas' fifth grade class.

She said each of these classes received a pizza party on Tuesday to celebrate.

Further, Bane said all of the birthday cards now are on display in the windows of the old dime store [a

Monday's Elba City Council meeting included a lengthy executive session

by Linda Hodge, Editor

A nearly hour-long executive session helped push the Elba City Council meeting to a two-hour session Monday evening, April 12, as the council gathered for the first of two regular bi-monthly meetings.

Mayor Tom Maddox said, "We have had a couple of situations in the city office and with other workers this year that will require an executive session to discuss some of the general characteristics of the employees." Upon his recommendation to enter into an executive session, the council members each voted yes for the session.

The mayor next noted this would be a joint executive session with the Elba Water and Electric Board, and Jane Brunson, chairperson of the Water and Electric Board, called the session of the board to order. Two members of the Water and Electric Board - Angela Newby and Jake Cowen - were not present for the executive session.

Brunson cited the same reason for the need of an executive session for the Water and Electric Board. All present members, a majority, voted to enter into the executive session.

Just shy of an hour later, the members of the two

entities returned to the council chamber.

Upon returning to open session, Brunson for the Water and Electric Board, and Mayor Maddox for the Elba City Council each noted that no decisions were made and not actions were taken in the executive session. The further noted that neither the Water and Electric Board nor the City Council, respectively, had anything to bring to the open session for discussion and/or action.

Under new business, Mayor Maddox recommended three new appointments to the Elba Redevelopment Authority [ERA] board. Kenneth Calhoun was recommended and approved from District Two for a term to expire February 2027; Josh Mack was recommended and approved from District Four for a term to expire February 2025; and Avery Hanchey was recommended and approved from District Five for a term to expire February 2023.

Mayor Maddox asked council members to consider investing \$10,000 into the summer youth program. He said parks and recreation director Greg Hanchey had spoken with him regarding this program, and it would

"April 1st: This is the day upon which we are reminded of what we are on the other three-hundred and sixty-four." — Mark Twain

The recent union vote by Amazon workers at the huge Alabama facility was a resounding defeat for the pro union group. We didn't have any idea what was going on, nor apparently did those pushing the union effort. There are news reports of some workers complaining about work-related issues in the facility, maybe related to the mass of sales during the COVID-19 explosion, but maybe were ongoing before COVID. Probably the biggest thing that lead to the NO vote on union representation was the \$15.00 plus average salary those folks are already getting, double the minimum wage and much above the average wage in Alabama. We understand they also have medical insurance furnished by the company. All that was without having to pay union dues. The armchair experts are already sharpshooting the actions by the union organizers for not doing their job correctly to motivate a YES vote from the workers. That criticism of course comes AFTER the votes were counted and the outcome clear. Anyway, the issue is not over yet as union spokesmen have said they are appealing to the feds with charges of unfair labor practices. With that large vote margin we seriously doubt any appeal will be successful this time around.

Several weeks ago we predicted right here on this page that the traditional Easter cold snap would get here by Easter Sunday. Well sure enough it arrived in good old Southern folklore tradition. Now that Easter is weeks behind us, it will be alright for the early morning chilly air to go away for a few months.

Last Sunday our children gathered at the Andalusia home of daughter Michele to celebrate a belated Easter and birthday for their old dad. The delay was to give other extended families a chance to enjoy nice folks on Easter Sunday. Since for their entire childhood Easter Sunday was family reunion day at grandmother and granddaddy's Kinston home for the three children, the menu Sunday was 'picnic' food. The meat was fried chicken and ham . . . always and thus again Sunday. All the trimmings replicated 'the picnic' and was more than enough. Of course the remains of the birthday cake came to Elba with the honoree!

Thus far the work on the major repairs to the Elba sewer collection system has not caused any community uprising over the torn-up streets, etc. This is a major improvement from the uproar that accompanied the sewer work during the late '60s. Of course if our memory serves us correctly, there were many streets torn up for weeks at the time all at the same time back then. These folks doing the work in 2021 seem to be going the extra mile to get streets back open ASAP as they dig up sewer lines and replace broken and/or leaking sections of pipes. Another improvement (in our expert opinion) is the use this year of much longer sections of pipe, thus improving the support in our ultra sandy and wet soils that have to hold the sewer lines in place to prevent leakage in and/or out of the pipe joints.

Be Safe wash your hands . . . again; social distance when possible, wear your masks and get the shots!!

Cuzin Lou Lou attended a dinner party last week in her beloved Yonder, and the highlight of the dinner party was the caterer - Hibachi Joe!

While Lou Lou clings tightly to her Southern roots - you'll never hear her complain about good 'ole tater salad and fried chicken, she also has been known to step out and try the foods of other cultures. She discovered several years ago that Japanese Hibachi is among her favs! So, she was super excited to be invited to this dinner

party featuring Hibachi Joe. Even better...He brought his skills and entertainment to the Yonder!

Hibachi Joe did not disappoint. He was highly entertaining as he fed everyone, and Lou Lou will be the first to testify that his food is beyond scrumptious! She needed to repent after that meal!!

Hibachi Joe said to Cuzin, "I love you...love you a longtime!" Lou Lou says, "Back atcha Joe as long as you cook like that!"

Until next time...God Bless and Keep Smiling!

Killingsworth said he is proud of all these projects because they make way for growth within the schools. He also noted the completion of the New Brockton High School football stadium as a project to remember.

"Summer-time is a busy time for a school system," Killingsworth said. "I am expecting a real busy summer as I continue to work towards my retirement date while still helping to ensure our Coffee County Schools are ready for the start of a new school year."

Killingsworth said he has no idea what his next career might be once he retires at the end of August, but he said he is looking forward to whatever the future brings.

"We hope everyone will take a moment to stop by and look at these cards," Bane said. "They are really cute and sweet!"

In other reports, the city clerk said the Elba Senior Center had received good news from SARCOA on reopening.

She said SARCOA was going to let senior centers do a modified reopening no earlier than Monday, April 19; however, there would still be a lot of restrictions for indoor activities, including to remain 6-ft apart and

installing partitions. Also, she said eating in the centers remains prohibited, which means the Elba staff would still be delivering meals to its seniors.

Currently, Bane said Elba Senior Center director Donna Falls and her staff are planning to have an outdoor bingo activity for the seniors on Thursday, April 15, at Tiger Town Park. The Elba Parks and Recreation staff agreed to help set this up for the seniors to be able to gather for the outdoor activity.

During the month of March, the Elba Senior Center delivered 1,671 meals to seniors.

be held again this summer.

The program was not held last summer due to COVID-19 restrictions, but Elba City Schools and the City are ready to jointly host it again this summer. Due to renovations/construction underway at the Elba Parks and Recreation building both the morning and afternoon sessions will be held at Elba City Schools this summer. The schools will be in charge of the morning sessions, and the city's parks and recreation department will be in charge of the afternoon sessions.

Council members agreed this had been a great program in the past, and all members voted to invest \$10,000 towards the summer program.

Also, during the meeting, the council approved a new flood plain ordinance that had been handed down from the state. ** A synopsis of the ordinance can be read on Page 5 of today's paper in the Public Notices section.

The next Elba City Council meeting is set for Monday, April 26, at 5:30 p.m. at Elba City Hall, 200 Buford Street.

Ways to Support a Grieving Family During COVID-19

What are some alternative ways to support a griever during the COVID-19 pandemic? When a loved one is grieving a loss, one of the most important things they need is the love and support of those around them. Unfortunately, the COVID-19 virus is making it difficult to show empathy and support in traditional ways. It is still vitally important to reach out to those who are grieving, possibly even more so, as they will likely find themselves more isolated than in the past.

Please note, depending on the mandates from your city, state or the CDC it is possible that some of these suggestions may not be viable options in the future. However, we hope they give you some ideas on ways you can support those around you even in this difficult time.

- 1) Sign the online condolence book. You can leave a message online to let someone know you are thinking of them.
- 2) Never underestimate the power of your words. If you do attend a funeral, you will likely not be able hug or hold hands. Instead, make sure to express what you are feeling in words.
- 3) Provide a listening ear. One thing that never changes (and requires no physical touch) is the need for the griever to be able to express themselves without judgement.
- 4) Reach out by phone call, text or video chat regularly. One of the most important things you can do to support someone who is grieving is to continue to reach out to them. Video chat can be a good stand in for a face-to-face meeting for the time being.
- 5) Schedule meal delivery. If you are unable to make food and deliver it, consider scheduling a delivery of food from a local restaurant.
- 6) Send a card in the mail. Those who are grieving will often appreciate receiving a handwritten card in the mail. It's nice for the griever to receive something physical they can hold and read again and again.
- 7) Have comfort items or flowers delivered. You can create a care package and have it delivered to the griever's house. You can also likely schedule to have flowers delivered to someone's home.

If you need any other suggestions please do not hesitate to contact us, we are always here to help.

Zion Chapel Bass Team anglers "reel 'em in" at Lake Eufaula

On Saturday, April 3, beautiful Lake Eufaula was the scene for the Zion Chapel Bass Team's fourth tournament of the East Alabama High School Trail.

As professional angler Shane Powell says, "You can catch quality fish on Eufaula; it's just a matter of being in the right place at the right time. You have to work through a lot of places to find the right fish biting."

Some of the ZC anglers were able to go a day early and practice fish, but some are on the ZCHS baseball team and were not able to hit the road until they stopped in Arton to play a game. However, at their young age, they bounce back quickly. The team of Young and Padgett was on the water the next morning with the rest of the teams and ready to blast off at safe-lite, which was delayed due to fog.

All ZC teams caught fish. With 55 boats participating, the results were commendable.

The team of Young/Padgett finished 12th with a limit of five fish weighing 9.51 pounds.

The team of FitzGerald/J. Dowdy finished 20th with four fish weighing 7.05 pounds.

The team of DeVos/K. Dowdy finished 37th with two fish weighing 3.29 pounds.

The team of Lee/Johns finished 45th with one fish weighing 1.34 pounds.

The Zion Chapel team is currently in fourth place overall in the East Alabama High School Trail with a

total of 87 teams.

In the angler of the year competition with the same 87 teams, Young/Padgett rank 5th; DeVos/K. Dowdy rank 14th; FitzGerald/J. Dowdy 36th; and Lee/Johns rank 38th.

They will head back to Lake Eufaula for their next two tournaments, April 24th and 25th on the Alabama Bass Nation High School Tiger Trail. The Sunday tournament is a make-up tournament for the Neely Henry tournament that was cancelled due to dangerous water conditions.

Team of Padgett/Young finished 12th

Team of J. Dowdy/FitzGerald finished 20th

Team of DeVos/K. Dowdy finished 37th

Team of Lee/Johns finished 45th

ORDINANCE 04122021 FLOOD DAMAGE PREVENTION ORDINANCE Elba, Alabama

ARTICLE 1 Statutory Authorization, Findings of Fact, Purpose and Objectives

SECTION A STATUTORY AUTHORIZATION

The Legislature of the State of Alabama has in Title 11, Chapter 19, Sections 1-24, Chapter 45, Sections 1-11, Chapter 52, Sections 1-84, and Title 41, Chapter 9, Section 166 of the Code of Alabama, 1975, authorized local government units to adopt regulations designed to promote the public health, safety, and general welfare of its citizenry. Therefore, the City Council, of the City of Elba, Alabama, does ordain as follows:

SECTION B FINDINGS OF FACT

(1) The flood hazard areas of the City of Elba, Alabama are subject to periodic inundation which results in loss of life and property, health and safety hazards, disruption of commerce and governmental services, extraordinary public expenditures for flood relief and protection, and impairment of the tax base, all of which adversely affect the public health, safety and general welfare.

(2) These flood losses are caused by the occupancy in flood hazard areas of uses vulnerable to floods, which are inadequately elevated, flood proofed, or otherwise unprotected from flood damages, and by the cumulative effect of obstructions in floodplains causing increases in flood heights and velocities.

SECTION C STATEMENT OF PURPOSE

It is the purpose of this Ordinance to promote the public health, safety and general welfare and to minimize public and private losses due to flood conditions in specific areas by provisions designed to:

(1) Require the uses vulnerable to floods, includ-

ing facilities which serve such uses, be protected against flood damage at the time of initial construction;

(2) Restrict or prohibit uses which are dangerous to health, safety and property due to water of erosion hazards, or which increase flood heights, velocities, or erosion;

(3) Control filling, grading, dredging and other development which may increase flood damage or erosion;

(4) Prevent or regulate the construction of flood barriers which will unnaturally divert flood water, or which may increase flood hazards to other lands; and

(5) Control the alteration of natural floodplains, stream channels, and natural protective barriers which are involved in the accommodation of flood waters:

SECTION D OBJECTIVES

The objectives of the Ordinance are:

(1) to protect human life and health;

(2) to minimize damage to public facilities and utilities such as water and gas mains, electric, telephone and sewer lines, streets and bridges located in floodplains;

(3) to help maintain a stable tax base by providing for the sound use and development of flood prone areas in such a manner as to minimize flood blight areas,

(4) to minimize expenditure of public money for costly flood control projects;

(5) to minimize the need for rescue and relief efforts associate4d with flooding and generally undertaken at the expense of the general public;

(6) to minimize prolonged business interruptions, and

(7) to ensure that potential home buyers are notified that property is in a flood area.

Kinston Lady Bulldogs add wins to record and move up in Class 1A state rankings

Statistical information submitted by
Cindy Smith & Samantha Smith

On Monday, March 22, the Kinston Lady Bulldogs defeated Samson 9-3 in softball action.

On the mound, Kinston's Macie Smith allowed two hits and two runs over five innings. She also struck out five batters.

The Lady Bulldogs had 10 hits in the win, led by Kelsi Cardwell, Sara Beth Long, and Faith Peters. Each had two hits in the game, including a four-run homerun by Peters in the third inning.

On Tuesday, April 6, the Kinston Lady Bulldogs earned an exciting 1-0 win over the #1 ranked Brantley Lady Bulldogs.

The lone score for Kinston came in the bottom of the fourth inning. With two outs, senior Macie Smith slammed a double out into left field, scoring Kelsi Cardwell. Sara Beth Long went 2-for-3 at the plate to lead Kinston in hits.

Two Lady 'Dawgs worked from the mound to throw a shutout for Kinston in the

big win. Macie Smith led off, surrendering no runs on two hits over five and two-thirds innings. Sydney Smith closed out the game for Kinston securing the shutout.

On Thursday, April 8, the Kinston Lady Bulldogs closed out a successful week on the softball field with a 13-3 win over the Samson Lady Tigers.

Sara Beth Long led the Lady Bulldogs at the plate in the 10-point victory. She had four hits over the course of the game.

Kinston had a total of 14 hits in the game. This included Long's four hits, along with multiple hits from Abigail Smith, Sydney Smith, and Candace Elmore.

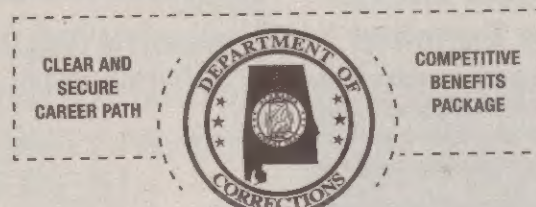

On the mound, Macie Smith led things off for Kinston. She went four innings, allowing only one hit and one run and striking out eight batters.

After the two big wins last week - against Brantley and Samson - the Kinston Lady Bulldogs moved up four spots in the Alabama High School Athletic Association's rankings for Class 1A to #4 in the state.

Officials with INZI Controls of Alabama were the guests of Mayor Tom Maddox recently at Elba Rotary Club meeting. Financial Controller Eun Tubbs and Plant Manager K.D. SPORTS NEWS

Views From

The Pressbox

By Ricky Mularz, Sports Editor

Our grandson Lawson has worn his mask on a cord around his neck every day since school started back in August, but admitted Friday he was glad he didn't have to wear it anymore and told me he would be glad to leave it at home. I know the masks did protect us during the yearlong pandemic, but I agree with my grandson and will also leave mine at home.

For what it is worth....

*** **It was a short week** for both the Tigers and Lady Tigers at Elba High, as the Tigers dropped their only game to Wicksburg to push their losing streak to nine games, while the Lady Tigers posted a big win over county rival Zion Chapel as they continued to open the eyes of softball fans in the area. The Tigers were rolling early in the season and owned a five-game winning streak, but now have little to play for except pride, and can still salvage a successful season with five games left on the schedule. It will be interesting to see how they close out the season and how the season will be remembered. As for the Lady Tigers, the Elba girls have been one of the surprise teams in the area all season and as they have improved have turned into a team no one wants to play. Nothing comes easy in sports, but I believe both teams will still make some noise in the days and weeks to come.

*** **One sports team that hasn't received** a lot of publicity, but has been a big winner throughout the season has been the Elba Tigers golf team. The Tigers have won a couple of tournaments this season and last week bested a ten-team field that included a number of bigger schools to win an event in Troy. The Tigers have been sharing time with baseball all season, but have been coming on strong in recent weeks and may just be a team to watch in the 2A ranks when the region and state tournaments tee off in just a couple of weeks.

*** **The high school baseball and softball** regular seasons are quickly winding down, but several teams in the area have their eyes set on the post-season and have their fans excited about what still lies ahead. In baseball, Kinston, New Brockton and Brantley have all wrapped up playoff berths and are enjoying really good seasons, while on the softball field it looks like the same three schools will be favored to keep their seasons going as Brantley, Kinston and New Brockton have all improved in recent weeks and all of the sudden appear to have their fans thinking about a state title.

*** **The Alabama High School Athletic Association** made news last week when it announced it had sanctioned girls' 'flag football' as a sport for the upcoming season, and that a state champion would be crowned. The newest sport in the state is being sponsored by the Atlanta Falcons and NFL FLAG, and has girls all across the state talking about getting on the football field. The Falcons will provide monetary support to help the sport get started, while Nike will provide uniforms to the teams that hit the field to kick off the inaugural season. I look for the larger schools in the state to take part in the new sport due to a larger number of students to choose from. However, it could be interesting.

*** **In closing....** Major League Baseball has been in the news for all the wrong reasons in recent days, and even got this 'ole fan a little upset again last week when the Braves and Nationals played a doubleheader that consisted of two seven inning games. The reason was based upon the need to cut back on the time the players were on the field due to COVID, but once again it looks like the sport is changing for the sake of change, and I just hope one day soon it too can get back to a sense of normalcy.

Elba's Baker named 'Super 12'

The Dothan Eagle announced its annual high school basketball 'Super 12' selections for the 2020-2021 season recently and included among the girls selected for the honors was Elba Lady Tiger senior Jaylyn Baker.

Baker, a 5-10, senior, forward, played in 24 games during the season and averaged 11.7 points, 8.3 rebounds, 1 assist, 2 steals and 1 blocked shot per game.

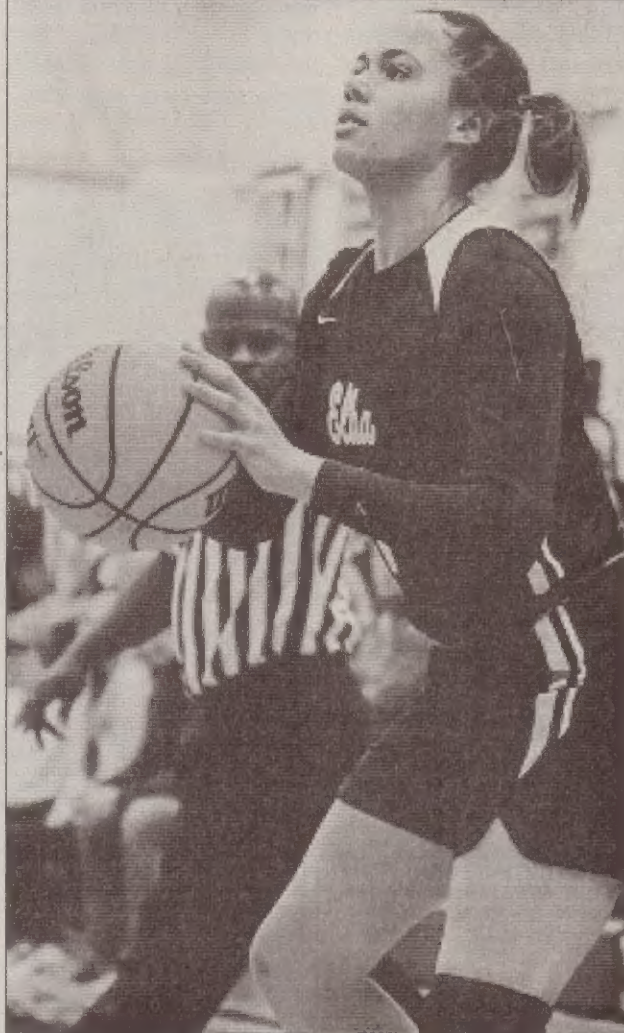

"Jaylyn has been a dominant player on our team for the past three years and was without a doubt the leader of our team," said Lady Tiger head coach Shaun Hammonds. "She led by example both in games and at practice, and is very deserving of this honor. She worked hard to improve in all areas of her game every day at practice and carried that over to the games. Our opponents

knew she was the one they had to stop, but she battled for all four quarters no matter the opposition and never made excuses. She just worked harder to get better and be a better teammate."

Other 'Super 12' picks on the girls' roster included: Karoline Striplin, Geneva County; Amiyah Rollins, Dothan; Jaida Gosha, Enterprise; Zahria Hoskey, Eufaula; Kaitlin Peterson, Eufaula; Makala Hobdy, Charles Henderson; Kristian Jackson, Charles Henderson; Madison Johnson, Geneva; Zhee Oliver, Arton; Makenna Long, G.W. Long; and Kinley Johnson, Samson. Karoline Striplin was named the 'Player of the Year,' and Rich, Bixby, of Geneva, was named the 'Coach of the Year.'

Selections for the 'Super 12' boys roster included: Keshawn Martin, Dale

Elba zaps Zion 7-1

The Elba Lady Tigers led all the way to post an impressive 7-1 area win over the Zion Chapel Lady Rebels, last Tuesday afternoon, in Elba.

Elba grabbed an early 1-0 lead in the bottom of the first when Makinna Gray led off with a single, stole second and third and scored on a two-out rbi single by Mikenzy Hooks.

A leadoff single by Aimee Senn sparked a two-run outburst in the third inning as the Lady Tigers lead grew to 3-0. Senn advanced to second on a wild pitch and scored on an rbi double by Mikenzy Hooks, while Hooks moved to third on a single by Jaylyn Baker and scored on a wild pitch.

The Lady Tigers came out swinging the bats in the fourth inning as consecutive hits by Anna Caldwell, Haleigh Layton, Makinna Gray and Aimee Senn resulted in three runs

to push the lead to 6-0, and the Lady Tigers added their final run in the fifth when Anna Caldwell delivered a one-out single and came around to cross the plate.

Zion Chapel avoided the shutout in the top of the fourth when Alexis Wambles ripped a leadoff double, went to third on a fielder's choice and scored on an error off the bat of Haley Jacobs.

Makinna Gray had 3 hits and scored 2 runs to lead the Lady Tigers at the plate, while Aimee Senn added 2 hits, scored 2 runs and had 1 rbi; Mikenzy Hooks added 2 hits, scored 1 run and had 2 rbi's; and, Anna Caldwell added 2 hits and scored 1 run. Ayrika Caldwell was the winning pitcher as she tossed a complete game 3 hitter with 13 strikeouts.

Alexus Wambles had 1 hit and scored 1 run to lead the Lady Rebels, while Melanie Diehl and Aubrey Weber both added 1 hit.

Tigers caged by Wicksburg 11-0

The Elba Tigers saw their losing streak reach nine games last week with an 11-0 loss to the Wicksburg Panthers, in Elba.

Elba managed only one hit in the homefield loss, but had numerous chances to get on the scoreboard as the Tigers stranded seven runners on the base paths.

Carson Wise singled in the first inning, but never advanced past first base, while the Tigers left runners on second and third in the third after Carson Wise drew a walk and John

Martin Wilson reached on an error. The Tigers also stranded two runners on base in both the fourth and fifth innings as they failed to hang a run on the scoreboard in the loss.

Carson Wise beat out an infield hit to record the Tigers only base hit, and also drew two walks, as the Tigers were shutout for the third straight game.

A trio of Elba pitchers combined to pitch six innings and allowed seven earned runs on ten hits and seven walks.

Elba Lady Tiger Jaylyn Baker is ready to run after reaching first base on a hit. Baker helped the Lady Tigers claim their sixth win of the season last week with a 7-1 victory over Zion Chapel.

FAITH PETERS - SOUTH ALL-STAR Kinston's Peters named AHSAA 'South All-Star'

The Alabama Athletic Association announced its rosters for this summer's 'North-South' high school volleyball all-star games and included on the South roster was Kinston standout Faith Peters.

Peters, a junior, 5-11, middle hitter, helped lead her team to a state tournament berth last season, and is the only area player selected for the team, which will compete the week of July 19-23, during

All-Star Sports Week, in Montgomery.

Ten members on the South squad are from the Mobile area, with two players from state power Bayside, and one each from St. Luke's, St. Paul's, McGill-Toolen, Fairhope, UMS-Wright, St. Michael Catholic, Baker, and Spanish Fort. Other schools represented include Auburn, LAMP, Oak Mountain and Thompson.

Whose Banner Do You Fly?

"Moses built an altar and called it The Lord is my Banner (Jahovah Nissi)" Exodus 17:15

Exodus 17 describes a battle scene between the Hebrew nation and the Amalekites. While Joshua is leading the Israelites in battle, Moses, Aaron, and Hur went on top of a nearby hill. As long as Moses held his hands up toward heaven the Israelites would win. In the end, after the battle was won, Moses built an altar naming it "The Lord is my Banner". He recognized that though Joshua and the nation of Israel fought the Amalekites, God is who brought the victory.

When I think of this story and the idea of God being my banner, I compare it to a nation's flag. The cloth of a flag is no more valuable than a beach towel until it forms the flag itself. What makes the difference? The American Flag is a visible representation of a nation's pride and values. A flag is a symbol of everything for which the nation stands. The flag does not give the country value; rather the country gives the flag value.

Similar to the flag, our value is not in what we are as humans but whose we are. God created us in His image. He created us with purpose. He created us with natural abilities. If we happened by accident then we would be no more valuable than the dirt we walk upon. In Matthew 6 Jesus makes reference to our value in describing how much more worth we have than the birds who are taken care of by God. Additionally, as the flag exists to represent a country, Christians should represent Christ.

"Therefore, since we are surrounded by such a great cloud of witnesses, let us throw off everything that hinders and the sin that so easily entangles. And let us run with perseverance the race marked out for us, fixing our eyes on Jesus, the author and perfecter of faith." Hebrews 12:1-2

You see, if we live our life in accordance with God's Word desiring to bring Him the Glory, the "cloud of witnesses" who are always watching will be able to tell that we have fixed "our eyes on Jesus". We will be the salt and light of the world. St. Francis of Assisi is often credited for coining the phrase, "preach the Gospel at all times and if necessary use words." We are His witnesses when we allow Him to be our Banner.

"I don't want my life to be explainable without the Holy Spirit. I want people to look at my life and know that I couldn't be doing this by my own power." Francis Chan

Can you accurately say, "The Lord is my Banner"?

What Ministers Must Know

In the confidence of youth, many preachers and teachers who are fresh out of Bible college or seminary are tempted to trust in their recently acquired knowledge. That was true of me when I first entered ministry. It took some difficult relationships with critical church members to convince me that knowing all the right answers to doctrinal questions wasn't the sole qualification for having a blessed ministry. Yet God blessed me with one or more wise elders in every one of those churches. Their years of life had taught them some things about ministry that I had not learned in the classroom. I had knowledge that they didn't have; but they had wisdom that I didn't have. James doesn't make wisdom and knowledge mutually exclusive. The good teacher will have both! Do

you? - C.R.B.
